We, the Class of 1991, would like to take the opportunity to recognize and thank all the individuals who have had a positive influence on our personal and educational growth during our years at Assumption College.

For many of us, our families have made a major contribution enabling us to attend college. They have provided unlimited support and encouragement.

Friends have also played a major role in our lives at Assumption. Old friends have remained, despite the distance. New friends have shared with us and supported us through a new, and often unsure time in our lives.

The faculty and staff at Assumption have also contributed to our enrichment. It is their efforts and dedication that have given many a positive experience at Assumption College.

To all of these individuals we, the Class of 1991, pledge our thanks and appreciation.

OFFICE OF THE PRESIDENT

ASSUMPTION COLLEGE

500 Salisbury Street, Worcester, Massachusetts 01615-0005 Telephone: 508/752-5615

I welcome this opportunity to extend my warmest congratulations to all the members of the Class of 1991.

As your time as Assumption College undergraduates comes to an end, you have much to look forward to. You have been enriched by an education steeped in the centuries-old traditions of Christianity and liberal arts and been given the skills and knowledge to meet the many challenges that lie ahead. It is my sincere hope that you take full advantage of what you have learned at Assumption to achieve great success in your careers and in your personal and family lives. May you also contribute your vast talents to improving the lives of those less fortunate and work to support the Church and your local community.

Remember that you will always be members of the Assumption College Community and we welcome your continued interest as alumni and alumnae.

May God bless you all and grant you good health, happiness, and success.

With all good wishes,

Sincerely,

Joseph H. Hagan
President

CURRENT EVENTS

As Seniors, we saw quite a few changes and events take place in the world. One such event, the Persian Gulf Crisis was on everyone's mind. Iraq, led by Saddam Hussein, invaded Kuwait. The U.S. as well as other U.N. forces were sent to liberate Kuwait. The crisis lasted five and half months before war was declared. There were demonstrations for and against this war which lasted approximately six weeks.

Another sign of change in the world came when Nelson Mandela was released in Feb. 1990 by President F.W. de Klerk. Mandela (who was given a life sentence in 1962 for plotting the overthrow of the South African government) had become one of the world's most influential prisoners.

We also experienced a true end to the Cold War between the the US/USSR and the breakdown of the "Iron Curtain". Germany became united and demonstrators from countries like Poland, Czechoslovakia, Hungary, Rumania, etc. demanded an end to Communist Party domination.

While communism still holds on in the Soviet Union, Pres. Gorbachev struggles to unite and reform it. The Communist Party and the government agree that the country is in a critical economic condition, but they disagree on how to solve it. Evidence of the bad economic condition is the lack of food resulting in empty food shelves.

1990-1991

Assumption students had a wide variety of tastes in music. Some students interests were those of top-forty musicians including some new and some old groups. There was tough competition for three female-vocalists Madonna, Paula Abdul, and Janet Jackson. Others seen on the charts were the B-52's, Roxette, In Vogue, Johnny Gill, Sinéad O'Connor, and Lisa Stansfield. Rap music became popular with such names as M.C. Hammer, Bell Biv DeVoe, Public Enemy, and the "infamous" 2 Live Crew. Many other students stayed with the good ole rock-n-roll they were used to: Phil Collins, Heart, Billy Idol, Aerosmith, etc.

IN HONOR OF OUR MEN & WOMEN

We, the Class of 1991, would like to recognize the men and women who served in Operation Desert Storm. Many of us were touched in some way, either, by having a relative or friend involved in the war or by the continuous exposure of this conflict on the TV. This affected our daily lives during our last semester at Assumption. Every day, as we walked through the Campus Center, we could see the developments on the large screen TV.

This dedication is neither for nor against any justification of the war. It is only an attempt on our part to support our troops who served in the Gulf. Although the war is officially over, we continue to support our men & women in defense of our country. Here is a list of family members and friends of Assumption seniors who were in Saudi Arabia:
